

Port Phillip Prison

WINNER

Wyndham Business Awards 2009

I am delighted to report that Port Phillip Prison has once again been recognised in the State's largest regional business award program – The Wyndham Business Awards 2009. This is the third of these awards that the prison has won and it is an outstanding effort.

Recognising business excellence, the Wyndham Business Awards provide local businesses with valuable benchmarks, by which to assess themselves and to seek continuous improvement, and I am pleased to announce that Port Phillip Prison was awarded the **WINNER** in the category of 'Service Large' and was also nominated as finalist in the coveted 'Business of the Year Award'.

The feedback received from the judging committee was extremely positive and I would like to personally thank and congratulate the staff Port Phillip Prison for their continued efforts in the day-to-day operations of the Prison.
